**2023-2024 Conviction Status:**

Have you ever been arrested for a felony? If arrested for, or convicted of, a felony, you must submit a police/court report verifying reason, date of arrest/conviction, and conclusion of the incident followed by a letter of reference from either a person in the judicial system or local official's association officer.

**"If you've been arrested for a felony, PLEASE contact the FHSAA for further assistance in this matter (352) 372-9551 ext. 295. Failure to contact the FHSAA will leave your status as ineligible in Arbor and your association will not be able to assign you games until your account has been approved."**

**JLA Badge:**

Officials must comply with the Jessica Lundford Act. Any official who purposely avoids, falsifies, or fails to obtain the required level 2 screening, after written notification, may be immediately suspended for up to 5 years, pending possible termination of membership.

The Jessica Lundford Act, level 2 screening is required in most counties in Florida for ALL officials. This includes regular season and postseason. If you are not sure if your county requires the level 2 screening please check with your local association.

(11) No FHSAA official may engage in unsporting conduct.

(12) No FHSAA official may refuse to officiate any contest with another FHSAA official because that same other FHSAA official is or is not also a registered member of a national or international officials' organization.

(13) No FHSAA official may officiate a contest or part of a contest which is classified as an "exhibition," "practice game" or "alumni game" including one or more member schools. Such games are prohibited by FHSAA Bylaws. This provision, however, does not preclude an FHSAA official from officiating an intra-squad contest or scrimmage in which all participants are students at the same one school.

(14) No FHSAA official may publicly criticize or berate a coach or other employee of a member school or other official. Professional ethics require that officials use proper channels to report their problems rather than airing them publicly.

(15) All officials must go to a dressing facility or secluded area provided by the school during halftime and not discuss any calls made previously in the contest to anyone who is not a part of the officiating crew. Additionally, once the contest has concluded, the officials are to vacate the playing area immediately. The officials are not to monitor post-game activities like handshakes. The administrators at the schools are to monitor those activities.
